|  <p>marshal</p> <p>x 5</p>  <p><b>TACTIC:</b> Choose a friendly unit that is within two spaces of the Marshal. The chosen unit <b>attacks</b>, if able.</p>                                               |  <p>mercenary</p> <p>x 5</p>  <p>After you <b>recruit</b> a Mercenary, you may <b>maneuver</b> your Mercenary unit.</p>                                                                                                                                            |  <p>pikeman</p> <p>x 4</p>  <p>When the Pikeman is <b>attacked</b> by an adjacent unit, remove a coin from that unit.</p>                                                                                                      |  <p>royal guard</p> <p>x 5</p>  <p><b>TACTIC:</b> Discard the Royal Guard coin to <b>move</b> the Royal Guard up to 2 spaces to a location that you <b>control</b>.</p> <p>! When the Royal Guard is <b>attacked</b>, you may remove a Royal Guard coin from the supply rather than from its unit.</p> |  <p>saboteur</p> <p>x 5</p>  <p><b>TACTIC:</b> <b>Poison</b> a unit one or two spaces away. If two spaces, the intervening space may be occupied by a unit.</p> <p>! After you <b>recruit</b> a Saboteur, you may use the Saboteur's <b>tactic</b>.</p> |

sapper

x 5

TACTIC: Move and then attack a Fortification

! When the Sapper moves to a location without a Fortification, you may place a Fortification from the supply on the location.

scout

x 5

The Scout may be deployed adjacent to any friendly unit.

siege tower

x 5

SIEGE TACTIC: Attack twice

! When you deploy the Siege Tower, you may immediately bolster it with a coin from the supply.

skirmisher

x 4

TACTIC: Move two spaces, ending in a space adjacent to an enemy unit.

! When the Skirmisher is attacked, you may deceive your opponent. If you do, the attack does not remove a coin.

swordsman

x 5

After the Swordsman attacks, it may move.

trebuchet

x 5

SIEGE TACTIC: Attack a unit two or three spaces away in a straight line. The intervening spaces may be occupied by a unit.

x The trebuchet can only attack by using its tactic.

war wagon

x 4

SIEGE TACTIC: Move an adjacent friendly unit and then move the War Wagon into the vacated space.

! When an adjacent friendly unit is attacked, you may remove a coin from the War Wagon unit rather than from the attacked unit.

warrior priest

x 4

After the Warrior Priest attacks or controls, draw one coin from your bag and immediately use it to take any action.

enlist

Recruit twice.

guard

Attack with a friendly unit that is on a location you control.

march

Move a friendly bolstered unit.

reinforce

Take one of your coins that has been removed from play and place it in your supply.

redeploy

Remove a friendly unit from the board and then deploy it.

sacrifice

Attack with a friendly unit, then remove a coin from the friendly unit.

spy

Look at an opponent's hand. You may discard one of their coins. If you do, they draw a new coin.

**Round:**

- 1) Draw 3 Coins
- 2) Play 1 Coin on your turn.
